

All Angle Narrow Case

Model 7AA All Angle Narrow Case Thermometers

Model 7AA All Angle

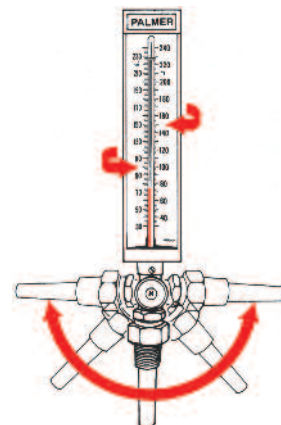

The 7AA replaces the 6AA and 6000 Series which have been discontinued. For further information, and detailed drawing comparing both models, please contact our Sales office.

NEW! Narrow Case Model 7AA Industrial Thermometer! Quality and Economy together in a space saving narrow case industrial thermometer. Only 1-11/32" wide with a 6-1/2" long case, this thermometer also includes a Brass thermowell.

Features **Flex Angle Adjustment:** (pictured at right) Just two screws permit cases to be rotated 180° and stems to be positioned to the viewing angle required.

The 7AA replaces the 6AA and 6000 Series which have been discontinued.
